Available Phosphate (P_2O_5).....1.0%

Derived from: Phosphoric acid

Precautionary Statement

Caution must be used when handling this product. Protect your eyes by wearing goggles that fit snug around your face. Protect your skin by wearing chemical rubber gloves and protective clothing. After using, wash with soap and water. Store away from children with cap screwed on tightly. Use baking soda in the event of a spill in order to neutralize the acid. If splashed into your eyes, flush eyes with water for at least 15 minutes and call a physician if irritation persists.
